

Somerset Sportsman's Club,

P.O. Box 65

Somerset, MA 02726

OK, SO IT'S THE SUMMER NEWSLETTER

ATTENTION — ATTENTION

License fees may be going up. It was reported at the July meeting that the fee for Resident License to Carry may go up from \$100 to \$200 for six years and for Non-Residents, from \$100 to \$250 for one year. Please contact your local representatives and senators and ask them not to pass these proposals

CLUB RULES

Reminder, only one guest, per member, is allowed on the rifle range. It was emphasized at the June meeting that any person who dropped out of the Club cannot use the rifle range as a guest.

MEETINGS

The remaining meetings for the year are:
*August 11, September 8,
October 13, November 10, December 8,*

IMPROVEMENTS

Rifle Range and Trap Field renovations are underway and should be completed soon. The burns on the range are being rebuilt and the Trap Field is being made handicapped accessible among other things

DUST

All members are asked to drive slowly when entering the club grounds so as not to kick up dust clouds.

NEWSLETTER

Newsletters are now being prepared once every two months and can be found on the club web page. We will continue to mail copies to members who do not have a computer. Other important information will be placed on the web site when necessary, however, if you know of a member who does not have access to a computer, please print the information and see that they get a copy.

HUNTER ED COURSE

Will be held in September at High Hill, Dartmouth. Sign up on line on the Mass Web site, then go to the Hunter Ed section

HELP WANTED

Volunteers are always needed to help on Club grounds. Look for Bi-Monthly work parties to help cover your minimum of 10 hours if you are a new member.

GUN RAFFLE

A Remington Model SPR 310, 12 gauge O/U shotgun will be raffled off at the November Turkey Raffle. Tickets will be sold at \$5.00 ea or \$10.00 and can be obtained from any club member.

CLAM BOIL

AUGUST 17th.

1:00PM

\$20.00 per person

Looking for people to help.

Contact Joe Fortin

JIMS CORNER ANSWERS

11.43x23 45 ACP 7.62x51 308 7.62x33 30 CARBINE
7.62x63 30-06 5.56x45 223* 12.7x99 50 CAL
6.35x16 25 ACP 9x17 380 9x19 9mm LUGER

*From what I have read, there seems to be some controversy about firing 5.56 ammo in a gun chambered for .223. It appears that although they have the same dimensions, the 5.56 is loaded to a higher pressure than the .223 and could cause some damage in older rifles. Please be careful.
