CORNED BEEF DINNER

March 12th. 2011

6:00 PM

\$10.00 per person

Run, don't walk, get your ticket early. Don't be left out. We need donations of dessert, any pastry will do, however Joe Fortin likes Apple Squares.

JIMS CORNER

Why is it that when we go a-hunting, sometimes it doesn't work out all that well. Ever wonder why Robin Hood always gets the deer with one arrow from his Long Bow, drops the thing right on the spot while we, or at least some of us, need to track the critter sometimes well into the wooded area. We have all the modern equipment, compound bow, cross bow, large caliber rifle and so on. All he does is draw the bow and "twang" food for the table. Hey, maybe it's just Hollywood.

For the record, this will be my last Newsletter. I feel it's time for some new blood, so I will be stepping down as the Newsletter editor or writer of many things. It's been fun.
