Would the above please send an E-Mail to:

ccw2001@yahoo.com

to verify the E-Mail address on the back of your application, sometimes we get it wrong, all those upper & lower case letters sometimes tend to confuse us.

*Reminder—All applications need a sponsors signature, and as a sponsor, you are responsible for that member during his probation*

## JIMS CORNER

Charcoal, Sulphur, Saltpeter (don't even go there). Mix with care and BOOM. Ever try hunting the old fashioned way? Black Powder. No, not those fancy in-line , bolt action Black Powder rifles, I mean the old "smoke pole", you know the ones where you drop a load of powder down the muzzle, load a lead ball & place a cap on the nipple, or prime the frizzen, and pray. Put some sport into the sport. It takes a good shot to take game when you only have one shot. What a great feeling, lots of smoke (no Pyrodex here), a lot of noise and sometimes nothing. Ever wonder where the term "flash in the pan" comes from? Ask me.
