November - December

TURKEY RAFFLE

We will hold a Turkey Raffle on November 13th. You could win a Turkey for as little as \$.25, yes, that's 25 cents. And we will be raffling off a Savage 270 bolt action with scope, a Turkey Basket with dinner for 4, and a smaller basket, dinner for 2. Plan to join us and remember, this is open to the public and there will be plenty of free food

BIRDS

The club will be purchasing birds again this year. If you wish to purchase a bird for a special release you can do so for \$20.00. This is for club members only, no guests. Contact Tom Ferry at 774-218-5339

RANGE

Work on the range will be starting soon. The burms are to be rebuilt as this will provide a safer environment for all club members using the facility. The range will be closed during the renovation.

DEER SEASON

A reminder to all members, when Massachusetts shotgun season begins on the Monday after Thanksgiving, November 29th. and running 10 days until December 11th., the range will be closed (except Sunday December 5th.) not only to non-hunters but to all vehicular traffic as well. In other words, for your personal safety, KEEP OUT.

DUST

No rain, no snow, no gloom of night, the dust on the drive remains. Please be courteous to our neighbors and drive slowly when entering the club property and keep the dust down.

ELECTION OF OFFICERS

The annual election of club officers will take place at the December meeting. Mark the date on your calendar, it's December 13th.

NEW MEMBERS

Leo Levrault Steven Gill Paul O'Neil

Austin Dumont Robert Dumont

Reminder—All applications need a sponsors signature, and as a sponsor, you are responsible for that member during his probation

HANDICAPPED

In case you hadn't noticed, there is a *Handicapped Sign* on the front of the building. It is there for our members with disabilities and guests with disabilities. It is not there so you don't have to walk as far. Please be the sportsman you would like everyone to believe you are and observe the sign.

CARD LEAGUE

A new card league is under way but I'm sure new members are welcome. It's \$5.00 dollars a week for 13 weeks, but, you get 2 meals out at some fancy shmansey restaurant.

JIMS CORNER

I never thought I would be saying this but it seems that it pays to get old. Not only can I get a cup of coffee from Double D at a reduced rate, I hate the term "senior citizen", but I found out that I can obtain a Hunting and Fishing License in Rhode Island for free and it's good for life. No hassle either. I just went to my Town Hall and asked, filled out the form and walked away with my license. I did have to buy a Trout stamp and will need to purchase a Duck stamp as well, but the license was free and for life. I am not sure the same applies to Massachusetts but if you don't ask you'll never know. Why don't you go find out and let me know, Thanks...
